

Cre8tive AI Ad Manager

From Idea to Storyboard: Effortless Ad Creation, Powered by AI

Transform your advertising process with the **Cre8tive AI Ad Manager**—a state-of-the-art platform that takes your product and brand from concept to storyboard in minutes. Whether you're a client or a digital marketing agency, our tool empowers you to develop stunning, professional creatives with ease, ready for production by our **Cre8tive AI Studio Team**.

How It Works¹.

Define Your Brand

Our platform starts by understanding your brand inside and out. Simply input:

- **Brand Name**
- **Target Audience**
- **Unique Selling Proposition (USP)**
- **Brand Personality**
- **Brand Guidelines**
- **Promotion Details**
- **Video Duration**

From there, we create a **synopsis** and **storyboard brief** tailored to your vision.

2. Choose Your Visual Style

Select from **8 visually stunning styles** to bring your storyboard to life:

- Minimalistic & Modern
- Bold & Vibrant
- Cinematic & Dramatic
- Playful & Animated
- Futuristic & Tech-Driven
- Retro & Vintage
- Documentary & Realistic
- Abstract & Artistic

3. Review & Save Your Storyboard

Once your storyboard is complete, review it in detail. Save your creative and receive it in **PDF format** directly to your email.

4. Handoff to Cre8tive AI Studio

Your storyboard is then handed off to our **Cre8tive AI Studio Team**, where we bring it to life with **state-of-the-art 3D-rendered, photo-realistic visuals**.

Why Choose Cre8tive AI Ad Manager?
